In my own opinion about the lawyers fee. I agree to pay for it, it is reasonable to pay the people who sacrifice his time to fight this thing. And it is okay for me to pay the lawyers fee.

But then the important is that I can receive the claim share that is equal & fair to the people who are victim of the Marcos Regimen.

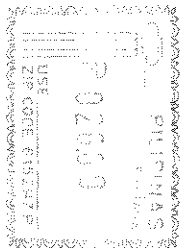

I really appreciate of this thing happen. Thank you very much for helping us. It is the big reward for us people victim of it.
